

## 4th Grade Pacing Guide 2020-2021

You should be doing the following amount of lessons for each course weekly:

**OLS lessons:**

ELA: 5 lessons/week  
 Math: 5 Lessons/week  
 Utah Studies: 3 lessons/week  
 Science: 2 lessons/week  
 Electives: 1+ lessons/week

**Live classes:**

Homeroom check-in: M-Th @ 8:30  
 Math/ELA small groups: M-Th @ 9:00 - 11:30 as invited  
 Science: M & W @ 11:30-12:00 or 12:00-12:30

**Math & ELA Note:** It is required that you finish 90% of these courses. Please follow THIS pacing guide and not necessarily the OLS as we will sometimes go out of order, but we will try to make sure your OLS is accurate. You will do the OLS lesson on your own and check-in with your homeroom teacher every day. Small groups will be held for students needing extra support and help.

**Science Note:** Science will be taught in live class on Monday and Wednesday.

**\*\*\*Red writing you will do on your own through the OLS\*\*\***
