

### Overview

Most students at this age have a hard time seeing things from another person's point of view. The Mindset Live to Give makes us aware of what we can do for others and how giving to others in turn makes us happier and more successful.

### Objectives

- Understand what it means to make a difference.
- Identify ways that we can give to others.

### SEL Alignments

- **Self-Awareness** – Students utilize a better understanding of themselves to identify the impact and influence they want to have with their lives.
- **Growth Mindset** – Students learn the essential need to develop their interests and talents to positively impact their lives and the world around them.
- **Hope** – Students expand their perspectives on the future and identify significant possible outcomes for their lives.
